

**2024. Oct.28 MON 14:30-15:30**

**臨床研究棟 6階階段横セミナー室**  
(Seminar room, 6<sup>th</sup> Floor, Clinical research building)

**‘Biomedical ethics in Germany: the  
German Ethics Council on Artificial  
Intelligence’**

**(ドイツにおける生物医学の倫理：  
ドイツ国家倫理評議会のAIに関する活動の紹介)**

**Professor Alena Buyx**

**Director, Institute of History and Ethics in  
Medicine, Technical University of Munich  
(Former chairperson of the German Ethics  
Council, 2020-2024)**

Professor Buyx is a leading researcher in Germany on biomedical ethics. She was a chairperson of the German Ethics Council until 2024. The Council works on a broad range of ethical issues such as genome editing and assisted reproductive technology (ART). In this talk, Professor Buyx will introduce a recent work of the Council on artificial intelligence.

**Language : English, No registration required**
