

Conference on Transposition and Genome Engineering 2015

Period :
November 17(Tue.) to 20(Fri.), 2015

Venue :
Nara Kasugano International Forum 菟 IRAKA, Japan

Conference on Transposition and Genome Engineering 2015 (TGE 2015)

Period: November 17-20, 2015

Venue: Nara Kasugano International Forum "IRAKA", Japan

Co-organizers:

Takashi Yamamoto (Hiroshima University)

Knut Woltjen (Kyoto University)

Junji Takeda (Osaka University)

Invited Speakers:

Dana Carroll (University of Utah, USA)

Emmanuelle Charpentier (Helmholtz Centre for Infection Research, Germany)

Bruce Conklin (Gladstone Institute, USA)

Neal Copeland (The Methodist Hospital Research Institute, USA)

Miki Ebisuya (RIKEN, Japan)

Perry Hackett (University of Minnesota, USA)

Zoltan Ivics (Paul-Ehrlich-Institute, Germany)

Nancy Jenkins (The Methodist Hospital Research Institute, USA)

Martin Jinek (University of Zurich, Switzerland)

Keith Joung (Massachusetts General Hospital, USA)

Jin-Soo Kim (Seoul National University, South Korea)

Tomoji Mashimo (Osaka University, Japan)

Andras Nagy (Lunenfeld-Tanenbaum Research Institute, Canada)

Osamu Nureki (The University of Tokyo, Japan)

Hideyuki Okano (Keio University, Japan)

Edward Rebar (Sangamo BioSciences, USA)

Moritoshi Sato (The University of Tokyo, Japan)

Yoichi Shinkai (RIKEN, Japan)

Bill Skarnes (Wellcome Trust Sanger Center, UK)

Kosuke Yusa (Wellcome Trust Sanger Center, UK)

Bernd Zetsche (Broad Institute of MIT and Harvard, USA)

Noh Theatre Stage
