

Introduction To Global Health

Dates: 26 October, 2,9,16,30 November 2024

Style: Hybrid (F2F+On-line) Lecture Series

*** Osaka venue; Osaka U. Nakanoshima Center**

Language: English

Organized by the Department of Public Health, Graduate School of Medicine, Osaka University, this all-English course offers a unique opportunity to learn the concept, trend, and global health approach from 13 world-class experts from Osaka University Faculty, WHO, ministries, partnership, academia, and NGO in Japan and abroad. Participants can gain practical knowledge and problem-solving skills to meet both local and global challenges. This year, future vision with/beyond COVID-19 pandemics and emerging new global health architecture will be discussed, together with the ongoing issues of SDGs, Ageing, and NCDs.
