大学院医学系研究科博士課程医学専攻では、現行の学位審査(Track1)に加えて、新たな学位審査制度を令和4年度より開始しています。現行では、学位申請論文のジャーナルアクセプトの後に学位審査が行われますが、新たに開始する学位審査制度は、医学生命科学分野に大きなインパクトを与え革新的な展開に寄与する研究論文と認定された場合、ジャーナルアクセプトを待たずに学位審査を受ける機会を与えるものです。今後も現行の学位審査が主体となりますが、一定の条件を満たす者は、新たな制度を利用して学位審査を受けることができます。

対象は、原則として、申請時には、博士課程4年次の在学者(在学期間延長者や単位修得退学者を除く)とし、学位申請者が取得したデータに基づき作成した単著の博士論文 (Thesis)で審査を受けます。審査においては、主査・副査による学位審査に先立ち、提出論文が求める水準を満たすかどうかについて別途設ける委員会による審査が行われます。学位取得後は、大阪大学機関リポジトリにより全文あるいは要約を公表するとともに、原則として3年以内に原著論文として基準ジャーナルに掲載することが求められます。

本制度による学位申請手続の方法や、申請の期限等については、医学系研究科博士学位関連のホームページで公表します。

Announcement for the new Ph.D review system(Track2), the Graduate School of Medicine, Osaka University

In addition to the current Ph.D examination of the dissertation thesis (Track 1), the Graduate School of Medicine, Osaka University has started the new Ph.D review system since 2022. The current Ph.D examination of the dissertation thesis is conducted after the journal acceptance of the dissertation thesis, but the new Ph.D examination will be recognized as a research paper that will have a major impact on the medical and life sciences and contribute to innovative development. If so, it gives you the opportunity to have your degree reviewed without waiting for journal acceptance. In the future, the current Ph.D examination will continue to be the main method, but those who meet certain conditions will be able to take the degree examination using the new system. In principle, applicants must be enrolled in the 4th year of the Doctoral Course at the time of application (excluding those who have extended their period of enrollment or who have withdrawn from completing credits) and must have a single-authored doctoral dissertation (Thesis) based on the data obtained by himself/herself. Prior to the Ph.D examination by the Primary Examiner and Sub Examiner, a separate committee will examine whether the submitted dissertation meets the required standards. After obtaining Ph.D, the full text or abstract must be published through the Osaka University Repository, and in principle, must be published in a reference journal as an original paper within three years. The method of applying for a degree under this system, the application deadline, etc. will be announced on the website related to the application procedure for Doctoral Degree (For Doctoral Course students) of the Graduate School of Medicine, Osaka University.
