Process for 3rd year early graduation

1. Submit application materials to Student Services Office (KYOMU- KAKARI) by November 20 (If it falls on Weekends the deadline will be moved forward). At this point, the thesis must be published or accepted (If not published yet, a verification certificate is required. An e-mail from the editor is acceptable.).
   Also, a journal published your thesis has to be posted on at least one of the databases, " Pubmed, Scopus, Web of Science".

2. After the Educational Affairs Committee deems eligible, PhD Qualifications Committee will designate Primary Examiner and Sub Examiner (Preliminary Reviewers).

※Further information for Preliminary Review, PhD Thesis Presentation and the Final Review, please see the latest version of " Application Procedure for Doctoral Degree (For Doctoral Course students)"

[IMPORTANT!]
 ・ Transfer students from the second or third year cannot apply early graduation.
 ・ Please contact KYOMU-KAKARI in advance for early graduation if there is a period of temporary leave.
