

To all successful applicants of the entrance examination for enrollment in October 2025

Student Center, the University of Osaka

Enrollment/Tuition Fee Exemption Program at the University of Osaka

The University of Osaka has maintained the Enrollment/Tuition Fee Exemption Program to support regular undergraduate and graduate students who have difficulty in paying enrollment/tuition fee due to financial reasons and family matters.

For those who have difficulty in paying enrollment/tuition fee due to financial reasons and family matters, the university has its own exemption system, etc. that allows support within the budgetary limit based on the screening of the application submitted by the applicant as outlined below:

- a) Full or half exemption for the enrollment/tuition fee
- b) Deferment of payment for the enrollment/tuition fee
- c) Payment by installments of the tuition fee

1. Application Guidelines and Application Period

Enrollment Fee Exemption and/or Deferment for New Students enrolling in October of the 2025-2026 Academic Year

Tuition Fee Exemption, Deferred Payment or Payment by Installments for the 2nd semester of the 2025-2026 Academic Year

Notices will be posted on the University's official website
Application Guidelines: Late August 2025 (to be determined)
Application period: From early September to early October 2025 (to be determined)
